There is NO statewide license for Process Servers

You must be properly licensed in every county you want to serve. Annual certification/renewal is required and many have education requirements. FAPPS is an approved Education Provider in the 8th, 9th, 10th, 15th, 19th & 20th Judicial Circuits.

In **Sheriff** appointed counties, the license is for a single county.

In **Certified** counties, the licensing is through the Judicial Circuit (once licensed you can serve in all counties in that Circuit)

In **Motion & Order** counties, there is no licensing program. These counties require an order of appointment by the Judge in every case you serve.

Additional information and class schedule is available on our Education page at www.fapps.org or by contacting our administration office (877) 383-2777 - administrator@fapps.org
